About Us

Welcome to Orillia Secondary School where you can achieve academic success, raise your social consciousness, strive for gold in athletics, express your creative side through the arts or shops and make lifetime friends. OSS has a variety of opportunities for students to succeed in all areas of school life.

Our students will be encouraged and supported in exploring their interests and talents so they can acquire the necessary skills to be successful in both learning and life. Ultimately, the goal for all of our students is to be happy, productive and contributing members in our ever changing world.

Program Highlights

- **Specialist High Skills Major in Construction** – Students interested in pursuing careers in the construction trades and engineering pathways will benefit from the practical skills, certifications, and experiential learning offered in this program.
- **Specialist High Skills Major in Health and Wellness** – Students interested in pursuing careers in health care or health promotion will benefit from the cluster of courses, certifications, and reach ahead experiences offered within this program.

Course selection Information – Timelines and Due Dates

- ▶ Guidance counsellors will be assisting students with course options and pathway planning throughout February 2017. All course selections will be completed online via the Student Portal; the use of my Blueprint as a resource is recommended.

Final deadline for course requests (all grades) = March 10, 2017.

"Effort creates many paths to excellence"
