What to do after Commencement:

Commencement usually lasts two hours. A reception will be held at Rotary with refreshments for you and your guests!

Please put these dates on your calendar:

What will you wear?

This is easy! All graduates wear black gowns and caps. They have a great appearance and save the expense of a new outfit.

We will be ordering "Souvenir Packages" this year, which means students will keep both the cap and gown.

Please remember to send thanks for any awards or scholarships that you have received.

Good luck as you complete your studies. We'll see you on Wednesday June 29th!
