YOUTH ADVISORY COUNCIL: CALL FOR MEMBERS

Are you interested in art, community and volunteering? Spots are now available for new MacLaren Youth Council members! Dedicated youth from across Simcoe County with an interest in the visual arts are encouraged to apply.

This year-long volunteer programme for high school students, 14 to 18 years of age, allows youth to share their thoughts on how to engage their peers in understanding the visual arts and the role of art galleries in their community.

Led by the MacLaren Education Officer, Council Members participate in social and artistic events at the Gallery and in the community, including:

Events for Youth by Youth:

Get involved in organizing the annual Halloween and spring-themed Coffee-houses at the Gallery! Over 100 youth attend these events that highlight local musical and artistic talent and offer art/craft sales, exhibition opportunities and hands-on art activities.

Community Festivals:

Organize fun, creative activities for people attending *Winterfest, Celebrate Barrie, Kempenfest, Carnegie Days* and many other community events.

Public Art Projects:

Get the chance to work with professional artists, whether it's painting a mural or assisting with the creation of an outdoor sculpture.

Workshops with Exhibiting Artists:

As a Council Member, you will get advance notice of special hands-on workshops for youth and a chance to register early when spots are limited.

Become a Gallery Guide:

Develop your knowledge and passion for visual art by becoming a member of the MacLaren Gallery Guide team, and lead exhibition tours for young people.

The Youth Advisory Council meets once a month at the MacLaren Art Centre on Wednesday evenings. Members also participate in after-school and weekend activities.
