Parking will be allowed on the street, etc. Date of graduation is June 28. • Semester 2 will be starting shortly – still working on staffing/LTOs, etc. • Rotary Students of the month – Jonah Odlozinski, Hunter Birch the last two months 	
5. Questions	<ul style="list-style-type: none"> • A question was asked regarding semester system – eg., Elmvale has math and science courses running year long. It is a school decision, often based on size of school and teacher availability. Semestering is the preferred method of delivery.
