

Specialist High Skills Major Award

The Province of Ontario created the specialist high skills major (SHSM) program to help meet the needs, interests, and strengths of all students, engaging them in learning and better preparing them for graduation and beyond.

That is why Lakehead University has created the Specialist High Skills Major (SHSM) Award and made it available to students entering directly from high school and who have a SHSM designation on their Ontario Secondary School Diploma (OSSD). Our SHSM Award is designed to help you continue exploring your interests and set your own path.
