1. Starting with the compulsory subjects choose the required courses. Click to open the list of subject courses to choose from.

Make your selections and click to move to the next subject

Prerequisites are HARD STOPS. You **will not be able to choose** a course without the prerequisite. Choose **HELPME** if you need assistance from your guidance counsellor!

NOTE: 5 incorrect attempts locks a student's account. Accounts can only be unlocked by contacting Guidance or the main office.

5. Left Navigation MENU

2. Is a **required field** that must be completed in order to submit your selections. *If you are unsure of how to complete a specific area choose **HELPME** to get support and work with your counsellor*
3. Submit your choices in order to save.

Return any time before course selections close to view, update or revise your selections.
