

Visual Arts in High School

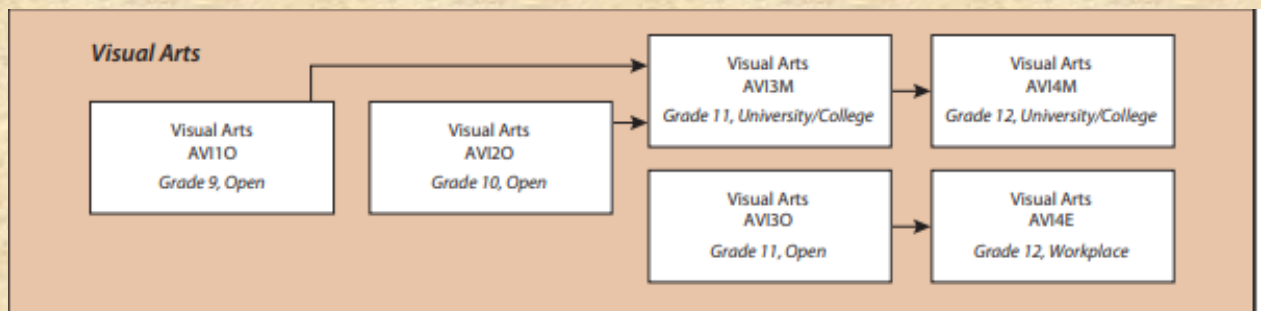

AVI101 in grade 9 is an OPEN stream class designed for ALL students no matter what your experience or skill level is.

In **Visual Arts**, you can expect **hands-on** learning each day! You will learn new skills and techniques to further yourself as an artist. In addition, you will build upon your soft transferable skills like creative problem solving which is a desired skill for employers.

Come & explore **new mediums** and **techniques**:

- Learn to shade objects
- Improve on perspective
- Paint
- Form clay
- Use element and principles
- Improve your drawing skills

Check out these cool projects you will get to work on:

See you in **Studio 322** and **Studio 324**
