Procedures help keep our school safe

The safety and well-being of students is our top priority. We have a number of procedures in place to keep our school safe. You can help your child understand and feel safe by:

- talking to them about the situations below
- reminding them that emergencies are rare
- telling them it's important to follow staff instructions in these situations

Parents should talk about the following emergency drills with their children:

- **Shelter in place** is used when there is an environmental or weather-related situation, like a chemical spill outside the building, or a major storm. Activities continue inside the school. Students and staff are not allowed to leave the building. The ventilation system may be shut off.
- A **hold and secure** is used when there is a situation in the community, not related to the school, like a bank robbery nearby. Activities continue, but all doors are locked. No one is allowed to enter or exit the school.
- A **lockdown** is used when there is a major incident or a threat of violence related to the school. Students and staff move to secure areas, away from doors and windows. Doors are locked, lights are shut off and blinds are drawn. Students and staff remain quiet. We practice lockdown drills at least two times per year. In the unlikely event of an actual lockdown situation, police ask that parents do not go to the school. Information will be communicated through the school board social media sites (www.facebook.com/SCDSB and www.twitter.com/SCDSB_Schools) and website (www.scdsb.on.ca), through local police and local media.
- All schools have **evacuation plans** in case of gas leaks, bomb threats or fire incidents that would require everyone to leave the school. We hold drills to practice our evacuation plan. In a real evacuation, students and staff may go to the evacuation site, depending on the situation. Parents will be informed about pick-up procedures by the school, school board and local media.
- Elementary school main doors are locked during the school day. Visitors must use the **intercom system** to enter the building. **Staff may not be available to answer the door immediately, please be patient.** All visitors, including school volunteers, are required to **sign in** at the school office and wear **visitor identification**.
- Staff and volunteers must complete a **criminal record check** before having contact with students.
- We ask parents to contact us when their child will be absent from school as part of our **Safe Arrival** program. When we don't hear from a parent/guardian, and a student is absent, we will call home to find out the reason for the absence.
- At least two staff members in every school are trained in **first aid and CPR**. All Simcoe County District School Board schools **have Automated External Defibrillators (AEDs)**.

When parents are at school during a drill or emergency event, they must follow direction from school staff, police, fire and/or emergency personnel. Parents may not have immediate access to their children during drills or emergencies. They may need to wait until the situation is resolved and school staff and/or emergency personnel release students into parent care.

It's important for you to know we'll always take whatever precautions are necessary to keep our school and students safe.

Student dress code

Students are expected to respect the guidelines when dressing for school. Our school is a safe space. We work to be equitable and inclusive, and understand that students may choose to express themselves through their clothing choices. Student clothing cannot pose a safety concern or conceal identity. Exceptions are granted to students who wear head coverings or other garments/objects for the purposes of religious observance, medical or sensory needs, or other reasons protected by the Ontario Human Rights Code.

The SCDSB dress code is available in the student agenda and online at www.scdsb.on.ca. If you have questions about the dress code, you can contact the principal or the SCDSB Equity and Inclusive Education Team at 705-728-7570.

Information about student accident insurance for the 2017-2018 school year

Student injuries at school, during school events, and extra-curricular activities (athletics, clubs, and out-of-province/out-of-country trips) are not covered by the board or its insurance company. While every precaution is taken to provide a safe learning environment, accidents can and do happen. The Simcoe County District School Board has selected the "insure my kids" program through Old Republic Canada as an option for students/parents/guardians to consider. This insurance offers a variety of plans and benefits at reasonable annual prices. Coverage can be purchased online at www.insuremykids.com. Please watch for your student accident insurance package along with a letter about requirements for extra-curricular activities and out-of-province or out-of-country trips.

Parent Portal gives parents real-time access to attendance, grade information

The SCDSB Parent Portal is a secure online tool that provides parents/guardians (of students less than 18 years of age) with quick access to their children's attendance and grades and includes the option to sign up for email notifications. To access the Parent Portal, parents/guardians will need their child's SCDSB Pupil ID Number, which can be found on the Student Information Verification Form, as well as an Access ID. The Access ID will be provided in a sealed letter this fall with instructions on how to create an account. If you lose the Access ID, you can visit us in the school office and we'll provide it to you after verifying your identity.

Want to volunteer at our school?

Current volunteers who do not submit an Annual Offence Declaration for Volunteers on or before December 31, 2017, will be deleted from the database on January 1, 2018, and will have to submit a new Criminal Records Check and Vulnerable Sector Screen. Please see the office for more information or if you have questions about volunteering in our school.

Safety reminder: School buses are back on the roads

As students return to school, the Simcoe County Student Transportation Consortium (SCSTC) reminds everyone that school buses are back on our roads. The majority of school buses in Simcoe County are on the road in the morning from 7 – 9:30 a.m. and again in the afternoon from 2 – 4:30 p.m. As a reminder to drivers:

- **Take caution** – Be extra cautious in the vicinity of school buses and around school bus loading and unloading zones
- **Be alert** – Watch for school bus chrome yellow colouring, flashing red lights and stop arms. Drivers travelling in both directions on a road without a median must stop for a stopped school bus that has its upper red lights flashing
- **Know the repercussions** – Any driver that fails to stop for a school bus with its lights engaged is subject to a fine of up to \$2,000 and six demerit points for a first time offence
- **Be empowered** – Anyone who witnesses a driver failing to stop for a school bus can report the incident to police.

Visit the SCSTC web site at www.simcoecountyschoolbus.ca, click on the 'Home' button and then the 'Safety' tab for more information.

Reminder from the Health Unit: School grounds are smoke free 24/7

How exercise can help with homework

It's the start of a new school year and students need to get back into the swing of things! Many students and parents adopt a similar philosophy for success – clear your schedule, buckle down and focus. Although the intention is great, by focusing solely on the books and neglecting the body, students are not actually reaching their full potential. Here are three reasons why exercise can make students more productive:

- Better sleep – it's a fact that our brains work better with a good night's rest. Getting enough sleep contributes to the brain's capacity to store and retrieve information, complete tasks efficiently, maintain focus and manage stress – all of which will improve student success.
- Stress release – exercise is proven to release endorphins that reduce stress. We all know how hard it can be to focus with an aching back, cramped neck or jittery leg. These physical distractions are often a result of excessive time spent in sedentary activities. A quick body break can relieve tension, stress and excess energy, making it easier to focus on the tasks at hand.
- Retain more – blood pumping exercise increases the flow of oxygen to the brain making it more receptive to the flow of new information coming in. Studies prove that students who exercise three times a week or more get higher grades.

In addition to exercise, students should ensure they are eating healthy, staying hydrated and getting lots rest and fresh air.
