These are set up as lunchtime ‘Zoom meetings’ in which a representative from that school will make a presentation to you about the school and then answer questions. To participate, just go the appropriate zoom link listed below on the correct date and time. **We have emailed you the Zoom link. If you DON’T have it, you can access it on the calendar below which is posted on the OSS website under Guidance – Grade 12, Important information.**

IMPORTANT – There is so much MORE! These just represent a **small** number of the actual Ontario colleges and universities you could choose. Remember that during this time of Covid EVERY college and university has set up elaborate websites that are designed to give you many opportunities to explore their programs and their campuses – **YOU just need to go to those sites, and let them know that you are interested in receiving information from them.**
